Hi Brian,

Sergeant Geaney advised that there were no significant issues that occurred last week in the Schrader Zone. Over the weekend there was one arrest of an individual who had a Felony Warrant. This individual was detained by the Schrader OT Officers and the arrest and investigation was handed off to Hollywood Patrol officers. There were also two Citations issued to two individuals that were drinking in Selma Park.

There was an individual that was cited for a 56.11 violation. This individual resides in a tent next to the YMCA and is known to the Hollywood Core Team as well as the LAPD OWB HOPE Team. This individual has been uncooperative and Sergeant Geaney advised that he has verbally challenged officers and failed to cooperate with them on many occasions. He is also blocking a gas meter causing obstruction and officers received information that he may have a rifle in his tent.

Today Schrader OT officers responded to a radio call of a Battery investigation. The officers learned that two individuals that reside in Schrader got into a verbal dispute regarding spilled milk, this dispute resulted in a battery and both parties refused a Private Persons arrest. An additional Battery radio call was created a short time after involving the same to individuals and an arrest was made.

Please let me know if you have any further questions and I have included Sergeant/Detective Geaney in this E Mail for any clarifications.

Take Care,

Emada
